

# Leadership Skills Online Streaming Videos or DVD

[Leader's Guide](#) [Worksheet](#) [PowerPoint Presentation](#) [Leadership Articles](#)

Success Television's videos of real world successful business leaders back up your leadership skills training. Who better to learn from about risk and opportunity than Intel co-founder Andy Grove or Sir Richard Branson? Want to know how to find your next great idea? Watch how eBay founder Pierre Omidyar does it. How are you managing through tough times, setbacks, challenges? Polar explorer Ernest Shackleton's story provides rich lessons on communication, morale and leadership.

Success Television's **Leadership Skills** videos offers organizations, consultants, trainers, and schools the opportunity to teach and explore leadership skills and traits using videos of well-known real life experts who illuminate our thinking around this most important skill. In this super-sized leadership skills training, you get the videos from **The Wisdom of Caring Leaders** and and four other videos of successful leaders.

Donald Van de Mark, former anchorman and journalist at CNN, CNBC and public television interviews, profiles and then provides his insights so you can adapt these leadership skills as your own.

## Nine Videos and Concepts:

- Choose Successful Behavior (Stephen Covey)
- Encourage Courage and Compassion (Jack Welch)
- Benefit from Different Perspectives (Pierre Omidyar)
- Unleash Passion/Vision in Turbulent Times (Anita Roddick)
- Manage Risk and Find Opportunities (Richard Branson)
- Leadership in the Face of Failure (Polar Explorer Ernest Shackleton)
- Women, Adversity and Respect (Madame CJ Walker)
- Obstacles, Innovation and Survival (Andy Grove)
- Avoiding Favorites and Morale (Marshall Goldsmith)
